PROFILE

Experienced Software Engineer adept in bringing forth expertise in design, installation, testing and maintenance of software systems. Proficient in various platforms, programming languages and embedded systems. Whether working independently or as part of a team, I possess the ability to effectively manage projects and contribute to the success of collaborative endeavors. My extensive experience in the IT industry, spanning **over 5 years**, has significantly strengthened my skills as a software engineer, enabling me to confidently compete with other professionals in the field.
